## E-SCRAP & E-WASTE SHREDDERS Pierce & Tear Shredders

Our hopper fed e-scrap & e-waste shredders are designed for your specific application. The size of the hopper, motor and cutters will depend on the product, the particle size and the required throughput.

Product destruction shredders discharge into a container placed underneath the cutting chamber & can include optional in-feed or output conveyors.

### Standard Features:

- Saw tooth, hooked cutters
- Self cleaning combers
- Direct drive
- Auto reverse

### E-Scrap & E-Waste:

- Computers & fax machines
- Desk top printers
- Hard drives, phones & tapes
